

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Determine the desired height at which the pendant will be installed and select the stems (6).
4. Unravel the supply power and ground wire and pass them through center hole of adjustable stem (6) and thread first adjustable stem (6) onto the nipple (7), longest stem first. Repeat process until all required adjustable stems (6) are threaded together.
5. Install the loop (4) on the adjustable stem (6) by twisting onto nipple (5) .
6. Use carabiner (3) to connect to loop (4) to the loop (2) and twist the locking mechanism to secure.
7. Install the canopy (1) to the ceiling using mounting bracket.
8. Refer to the additional installation instructions included with the product for wiring and installation.
9. Install proper bulbs (not included) into each socket (8) referring to the markings and/or labels on the fixture for maximum wattage.
10. Restore power to the installation point and retain this sheet for future reference.
